

Serene

Welcome to serene, here we help you to get some relief from your daily stress.

HERO SECTION & NAVBAR

Here we have our navbar where one can toggle between home, about, contact us & our services.

Home:

- This is the hero section of our landing page
- Above this we've got our navbar sections and explore our page.

ABOUT US

After that we've got our about us where you will find our members and their social's(github, linkedin etc).

- Aditi Prusty: In-charge of the presentation.
- Vivek Kumar Mohanta In-charge of the hero-section & services section.
- Arya Aditya Dash: In-charge of the about us & contact-us page.

OUR SERVICES

- So your boss doesn't like you or maybe your C.S teacher or maybe you have your exam with a week and you get scared just by imagining the thought of it.
- No problem, we are your solution.
- We offer services such as talking, laughing, reading, yoga and much more.
- We not only provide you with these, if the intensity of the user is more than he/she can get medical assistance by exploring our talking or consult a Doctor.

COMING SOON

- We still are in the initial stage and yet to develop some serious developments in our website.
- It still is a static website which we hope to change fully.
- We have some major ideas in mind which we will love to implement in the future.
